Grand total: 91 schools

Please check these before anchoring

1. **Same school twice:** Kirloskar Ferrous and Baldota Steel & Power are both listed for GHPS Model School, Bhagyanagar, Koppal.
2. **Possible double count:** ICT Service Management Solutions and Merck each appear in Part A as "one school in Mandya district" and again in Part B with a named Malavalli school. If these are the same schools, the grand total is 89, not 91.
3. **Part B heading:** it said "Earlier Partnerships", but eight of its partners sign today, all in Mandya district. Part B is now headed "Other partners", and those eight entries are marked "MoU signed today". The four Part A partners who are not attending (OSAAT Educational Charitable Trust, Way for Life, Mukund Sumi Steels Ltd and Hitachi) have been moved to the start of Part B and marked "MoU signed today (not attending)".
4. **Similar names:** confirm the exact names of Mukunda Swamy Steel Industry, Mukund Sumi Steels Ltd and M/s Mukunda Maharashtra Company.
